

PowerSchool Mobile App

Set up your parent portal login: [Power School](#) to access student attendance and grade information, **before** using the app on your mobile device. Grade 5 parents are provided with an instruction letter on how to set up their account and to link to one or more students. If you have not received this information by Mid-September, please send us an [email](#) or call Mrs. Halpin at (403)948-5969.

Please refer to “Power School Support” under “Quick Links” on our school website. You can also access support from the Power School folder on the Parent Tab (under navigation).

3. Once you have set up your account, you are ready to download the free “PowerSchool Mobile app onto your device.

Google Play Store – For Android Devices

Itunes – For Apple Devices

Open the App, and enter the District Code **QMCD**, followed by the username and password you created in your account setup.

A screenshot of the 'Parent Sign In' screen in the PowerSchool Mobile App. The screen has a dark blue header with the text 'Parent Sign In' and a small 'H' in the top right corner. Below the header, there is a 'District Code' section with four input boxes containing the letters 'Q', 'M', 'C', and 'D' from left to right. To the right of these boxes is a green checkmark. Below the district code boxes is a blue link that says 'Where is my district code?'. Underneath that are two stacked input boxes for 'Username' and 'Password'. Below the password box is another blue link that says 'Forgot Username or Password?'. At the bottom of the screen is a large blue button with the text 'Sign In' in white.
